ISTRUZIONI DI MONTAGGIO / FITTING INSTRUCTIONS

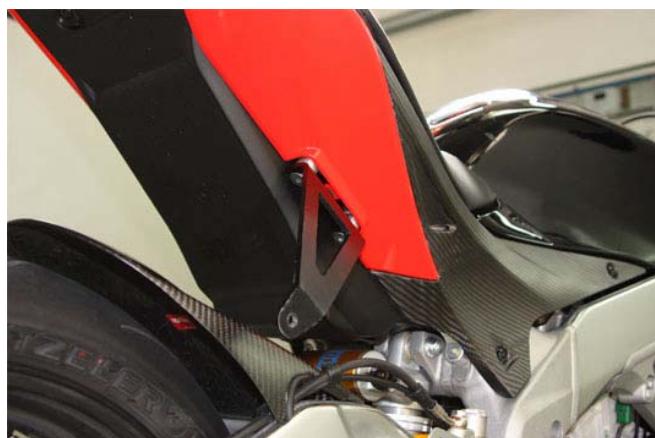

SMONTAGGIO TERMINALI – OE SILENCERS REMOVAL INSTRUCTIONS

Smontare il terminale originale attraverso le viti indicate ed allentare la fascetta stringitubo nell'innesto del silenziatore, poi sfilare il tutto

Remove the screws shown in pictures, then loosen the hose clip between silencer's mid-pipe and pipework, then remove the silencer

MONTAGGIO TERMINALE – SILENCER FITTING INSTRUCTIONS

Togliere la placchetta di plastica sotto il codone e montare la staffa di sostegno del terminale ARROW

Remove the plastic cover under the tail section and fit the Arrow support bracket as shown in picture

Inserire il raccordo Arrow nel centrale originale
Fit Arrow mid-pipe to the OE pipework

Innestare il silenziatore nel raccordo e fissarlo con l'apposita fascetta alla staffa e con la molla al raccordo, dopo aver trovato la corretta posizione.
Fit the silencer to the mid-pipe and secure it to the frame using the carbon bracket and to the mid-pipe using the spring. Check the silencer to be properly aligned and secure all the screws.
